

Official Opening

Palmer Rapids Public School

Sunday, November 22, 1970

AT. 2:30 P.M.

RENFREW COUNTY BOARD OF EDUCATION

Palmer Rapids Public School

The opening of the addition to Palmer Rapids Public School completes one of the first building projects undertaken by the Renfrew County Board of Education in its attempt to equalize opportunity for education throughout the county of Renfrew.

The original Palmer Rapids school contained four classrooms, two of which were constructed in 1953 and two more in 1965. Construction of the present addition was begun in December, 1969, and completed in time for the opening of school in September, 1970.

Palmer Rapids Public School now serves the four townships of Raglan, Radcliffe, Brudenell and Lyndoch. It has nine standard classrooms, a kindergarten, library, administration offices, and a general purpose room. The school opened with an enrolment of 288 students.
